Hi Latrice,

Per clause G-2(e), ER is providing notification that the costs for the F.J Doyle Salvage Site, TO 0308, will accrue in the next 30 days and bring the total cost to over 85% of the ceiling. At this time we are not estimating any additional funding will be required for completion based on the current SOW. If additional tasks are added as the site is nearing completion ER will notify you if additional funding will be required.

Thank you.  
David Brinkmeyer
